Signature: _____ Date: _____

The Campus Faculty Association (CFA) is an advocacy organization for tenure-stream faculty committed to a strong faculty voice on campus. For over forty years, we have worked to protect shared governance, academic freedom, faculty working conditions, and racial and gender equity.

By joining CFA, you enable this work to continue. We:

- Organize public events on academic freedom, faculty issues, and the state of public higher education
- Research changes at the university to ensure our campus remains transparent in its processes and equitable in its policies
- Inform members and others on campus about issues that affect our students, our work, and the university
- Provide solidarity for the non-tenure-track faculty union (NTFC Local #6546) and other workers on campus and in the community

Current membership dues are \$15/month for tenured faculty and \$10/month for untenured faculty (including assistant and emeritus professors).

You can return your membership card through campus mail to:
